Dear Kyle Dewald:

**Re: Environment Act Licence No. 1773 R - Notice of Alteration Request**

Thank you for your request to alter Environment Act Licence No. 1773 R, received September 27, 2022. The department understands that you seek to replace two wastewater dumping stations and add a third station at the Rural Municipality of Lac du Bonnet wastewater treatment lagoon.

I approve the alteration per Section 14(2) of The Environment Act. I am satisfied it will not significantly impact the environment. The new stations must be designed, built, and run per clause 24 of the licence.

All clauses of Environment Act Licence No. 1773 R remain in effect.

Should you have any questions regarding this approval, please contact Robert Boswick, Senior Environmental Engineer, Environmental Approvals Branch at [Robert.Boswick@gov.mb.ca](mailto:Robert.Boswick@gov.mb.ca) or 204-918-5853.

For questions relating to the ongoing administration of the licence, please contact Allan Cyrenne, Regional Supervisor, Environmental Compliance and Enforcement Branch at [Allan.Cyrenne@gov.mb.ca](mailto:Allan.Cyrenne@gov.mb.ca) or 204-485-6410.

Sincerely
