Dear Ms. Kozak:

Re: Notice of Alteration – Darlingford (Municipality of Pembina)

Thank you for your letter dated June 26, 2017, notifying of upgrades to the Darlingford location located at SW ¼ of 9-3-7 in the Municipality of Pembina which includes a request to proceed with the construction of two new Meridian 1620 hopper bottom seed bins with a maximum combined capacity of 200 tonnes.

The Environmental Approvals Branch is processing this request as a minor alteration to Environment Act Licence No. 1624 RRR, pursuant to clause 14(2) of The Environment Act. It has been determined that the potential environmental effects from upgrades are insignificant and can be accommodated by the existing limits, terms and conditions of Environment Act Licence No. 1624 RRR.

I hereby grant approval to Crop Production Services (Canada) Inc. to implement the proposed alteration.

If you have any questions on this matter, please contact Ms. Krystal Penner of this office at (204) 945-7107. For any operational issues please contact the Regional Supervisor Tyler Kneeshaw at (204) 239-3608.

Yours sincerely,

Tracey Braun, M.Sc.
