Dear Barry Blue:

**RE: Prairie Green Landfill - Environment Act Licence 2177 E R5 – Licence Clause Suspension Request**

This letter acknowledges the emailed request submitted by Waste Connections of Canada Inc. on December 23, 2022, to allow the disposal of dead livestock waste at the Prairie Green Landfill located in the Rural Municipality of Rosser.

I am granting a suspension of Clause 34 (e) of Licence 2177 E R5 pursuant to Section 18(1) of The Environment Act. This allows you to proceed with the disposal of dead livestock waste. The suspension is in effect from December 23, 2022 to January 6, 2023 inclusive.

Please be advised that the dead livestock material must be covered daily with soil. If the material cannot be covered with soil authorization may be revoked. All other clauses in Licence 2177 E R5 remain in effect.

If you have any questions, please contact Julie Froese, Environment Officer, Environmental Compliance and Enforcement at [Julie.Froese@gov.mb.ca](mailto:Julie.Froese@gov.mb.ca) or 204-945-7104.

Sincerely,
