Dear Siobhan,

This letter is written on behalf of the RM of St. Andrews. The Licence issue date was October 31, 2016 and the construction start expiry date is currently October 31, 2019.

The Municipality had planned to construct the expansion in 2019. However, funding was not available this year and construction has been deferred until 2020.

This letter is to request approval to extend the construction start expiry date to October 31, 2020.

Please contact me if you have any questions.
