Dear Mr. Shume:

**Re: Borland Construction Baghouse Upgrade – Notice of Alteration**

Thank you for your Notice of Alteration (NoA) dated November 25, 2014 in which you proposed to install a new baghouse at your Borland Construction Inc. facility located at 190 Dawson Road in Winnipeg, Manitoba. It is considered that the installation will replace the existing older and worn baghouse and improve the overall quality of air discharged from the facility.

Upon review of your request, I have concluded that the environmental effects of the proposed alteration will be insignificant, and, therefore, in accordance with Section 14(2) of *The Environment Act* you are hereby authorized to carry out the proposed November 25, 2014 Notice of Alteration.

If you have any questions regarding this matter, please contact Mr. Eshetu Beshada of this office at (204) 945-7023.

Yours truly,
