Dear Mr. Luellman:

**RE: Environment Act Licence Suspension - Discharge of Wastewater Treatment Lagoon**

This letter is to acknowledge the request made on November 3, 2017 by the Rural Municipality of Rockwood to commence discharging the Balmoral Wastewater Treatment Lagoon outside of the discharge dates as specified in Environment Act Licence 2523 RR. Discharging outside the dates specified in the Licence is due to several attempts to achieve the phosphorus values.

I am granting a suspension of Clause 25(f) of Environment Act Licence No. 2523 RR pursuant to Section 18(1) of The Environment Act, which allows you to proceed with the discharge. The suspension is in effect from November 10, 2017 to November 23, 2017 inclusive for this event.

Please be advised that if weather conditions become unsuitable, discharge must cease and authorization may be revoked. All other clauses in Environment Act Licence No. 2523 RR remain in effect.

If you have any questions, please call Allan Cyrenne, Environment Officer in Selkirk at (204) 485-6410.

Yours sincerely,

Don Labossiere  
Director, Environmental Compliance and Enforcement
