Dear Ms. Braun:

**RE: Bipole III Transmission Project (Licence 3055) – Licence Conditions # 4f**

Please find attached engagement summaries pursuant to the requirements of clause 4f of *Environmental Act* licence 3055 for Bipole III transmission line construction segments S1 and S2.

The attachments serve as an appendix to the Project Environmental Protection Plan and outline Manitoba Hydro's systematic application of mitigative measures consistent with the Environmental Impact Statement (EIS) to address concerns raised by First Nations, Metis communities and Local Aboriginal communities. These attachments also address additional issues and concerns identified by representatives of other First Nations, Metis, and local Aboriginal communities relating to the environmental effects of the project.

Should you have any questions or require further clarification of our comments please do not hesitate to contact me at 204-360-4394.

Regards,
