Dear Ms. Johnson:

**Re: Bipole III Transmission Project – Environment Act Licence No. 3055**

Thank you for your letter dated October 20, 2015 requesting approval for a route adjustment in transmission line segment S1 regarding tower 6197, immediately north of the Assiniboine River Crossing.

The Environmental Approvals Branch is processing this request as a minor alteration to Environment Act Licence No. 3055, pursuant to section 14(2)(b) of *The Environment Act*. It has been determined that the potential environmental effects from the route adjustment are insignificant and can be accommodated by the existing limits, terms and conditions of Environment Act Licence No. 3055. In accordance with section 14(2) of *The Environment Act*, I hereby grant approval to Manitoba Hydro to implement the proposed alteration.

If you have any questions regarding this matter, please contact Ms. Elise Dagdick of this office at (204) 619-0709.

Yours truly,

*“original signed by”*
