Director Environmental Approvals Branch Manitoba Conservation and Climate 1007 Century Street Winnipeg, Manitoba R3H 0W4

Dear Director,

Enclosed you will find a Notice of Alteration Application for the change in Licencee for **Environment Act License No. 2923.** 

Currently the Licencee is listed as "Borland Construction Inc." The portable asphalt plant (Terrex, EP-400P Asphalt Plant) was purchased by 10126014 Manitoba Ltd. which is now owned and operated by Bayview Construction Ltd.

We are requesting the Licencee be changed to "Bayview Construction Ltd."

As this transfer of ownership went through a multifaceted sale between multiple parties. I've attached the following for reference:

- File Summary for 10120614 MANITOBA LTD. that indicates the change in Office Information to Bayview Group of Holdings Inc.'s owners (Owner's of Bayview Construction Ltd.)
- Bill of Sale from Borland Construction to 10126014 Manitoba Ltd.

If any additional information is required, please feel free to contact me.

Sincerely,

Buu Dang, P.Eng., Project Manager
