

Photograph 37. View west along the proposed pipeline RoW, taken from the east boundary of SE ¼ -03-02-27WPM (September 2011).

Photograph 38. View north along the proposed pipeline RoW in SW ¼ -02-02-27WPM, taken at the proposed Highway 251 crossing (September 2011).

Photograph 39. View south along the proposed pipeline RoW in NW ¼ -35-01-27WPM, taken at the proposed Highway 251 crossing (September 2011).

Photograph 40. View east over the landscape in SW ¼ -02-02-27WPM, taken at the proposed Highway 251 crossing (September 2011).

Photograph 41. Another view east over the landscape in SW ¼ -02-02-27WPM, taken near the proposed Highway 251 crossing (September 2011).

Photograph 42. View south along the proposed pipeline RoW in NW ¼ -35-01-27WPM, taken at the mid-point of the quarter section (September 2011).

Photograph 43. View north along the proposed pipeline RoW in SW ¼ -35-01-27WPM, taken from the south boundary of Section 35-01-27WPM (September 2011).

Photograph 44. View south along the proposed pipeline RoW in NW ¼ -26-01-27WPM, taken from the north boundary of Section 26-01-27WPM (September 2011).

Photograph 45. View south along the proposed pipeline RoW, taken near the mid-point of NW ¼ -26-01-27WPM (September 2011).

Photograph 46. View south along the proposed pipeline RoW in NW ¼ -26-01-27WPM, taken from the south boundary of the quarter section (September 2011).

Photograph 47. View south along the proposed pipeline RoW in SW ¼ -26-01-27WPM (September 2011).

Photograph 48. View northwest along the proposed pipeline RoW in SW ¼ -26-01-27WPM (September 2011).

Photograph 49. View southeast along the proposed pipeline RoW, taken from the mid-point of RoW in SW¼ -26-01-27WPM (September 2011).

Photograph 50. View east along the proposed pipeline RoW, taken from the east boundary of SW ¼ -26-01-27WPM (September 2011).

Photograph 51. View east over a wetland crossing in SE ¼ -26-01-27WPM, taken from west boundary of the quarter section (September 2011).

Photograph 52. View west over the wetland in SE ¼ -26-01-27 WPM (September 2011).

Photograph 53. View west along the proposed pipeline RoW in SE ¼ -26-01-27WPM, taken at the proposed road (medium grade graveled) crossing on east boundary of the quarter section (September 2011).

Photograph 54. View east along the proposed pipeline RoW in SW ¼ -25-01-27WPM, taken at the proposed road (medium grade graveled) crossing on west boundary of the quarter section (September 2011).

Photograph 55. View west along the proposed pipeline RoW in SW $\frac{1}{4}$ -25-01-27WPM, taken from the east boundary of the quarter section (September 2011).

Photograph 56. View east along the proposed pipeline RoW in SE $\frac{1}{4}$ -25-01-27WPM, taken from the west boundary of the quarter section (September 2011).

Photograph 57. View east along the proposed pipeline RoW, taken at the proposed drainage crossing in SW ¼ -30-01-26WPM (September 2011).

Photograph 58. View east along the proposed pipeline RoW, taken from the west side of the drainage in SW ¼ -30-01-26WPM (September 2011).

Photograph 59. View north at the bottom of the drainage, taken from the south side of the proposed pipeline RoW in SW ¼ -30-01-26WPM (September 2011).

Photograph 60. View south at the bottom of the drainage, taken from the north side of the proposed pipeline RoW in SW ¼ -30-01-26WPM (September 2011).

Photograph 61. View west along the proposed pipeline RoW, taken from east of drainage in SW ¼ -30-01-26WPM (September 2011).

Photograph 62. View northeast over valve site in SW ¼ -30-01-26WPM (September 2011).

Photograph 63. View east along the proposed pipeline RoW, taken from east of drainage in SW ¼ -30-01-26WPM (September 2011).

Photograph 64. Another view east along the proposed pipeline RoW in SW ¼ -30-01-26WPM toward the Souris River in SE ¼ -30-01-26WPM (September 2011).

Photograph 65. View south along a temporary access road in NW ¼ -19-01-26WPM (September 2011).

Photograph 66. View north along a temporary access road in NW ¼ -19-01-26WPM (September 2011).

Photograph 67. View west along a temporary access road in NW ¼ -19-01-26WPM (September 2011).

Photograph 68. View east along a temporary access road in NW ¼ -19-01-26WPM (September 2011).

Photograph 69. View south over the landscape south of the proposed pipeline RoW, taken at toe of river break (Souris River) in SE ¼ -30-01-26WPM (September 2011).

Photograph 70. View north over the landscape north of the proposed pipeline RoW, taken at toe of river break (Souris River) in SE ¼ -30-01-26WPM (September 2011).
