

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* from the following operation and invites public participation in the review process:

GREENWALD COLONY FARMS LTD. – GREENWALD BIOMASS PELLETIZING PLANT - FILE: 5617.00

A proposal has been filed on behalf of Greenwald Colony Farms Ltd. for the construction and operation of a biomass pellets manufacturing facility at 47001 Stead Road, 97N, NW 01-17-08 EPM in the Rural Municipality of Alexander. The plant will manufacture stove pellets by crushing biomass materials and pressing through a pelletizing machine. Potential environmental impacts of the facility include emission of dust during raw material handling and processing and increased traffic.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (eshetu.beshada@gov.mb.ca), not later than JANUARY 21, 2013. Further information is available from the Public Registries located at 123 Main St. (Union Station) Main Floor, Winnipeg; the Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; and Manitoba Eco-Network, 3rd Floor, 303 Portage Ave., Winnipeg; R.M. of Alexander Municipal Office, 104058 - PTH #11, St. Georges or by contacting Eshetu Beshada, Environmental Engineer at 204-945-7023.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
