Attention, Director:

Re: Environmental Act Proposal for Concrete Batch Plant, Permanent Site

Maple Leaf Construction Ltd. is applying for a Class 1, Environmental Act Licence for the operation a permanent concrete batch plant in their yard site at the South East corner of Brookside Blvd. and Jefferson Ave.

The concrete batch plant is a Thoroughbred Concrete Plant, manufactured by Stephens Manufacturing Company, Tompkinsville, KY.

This plant currently is licensed for use as a portable plant at various locations. Licence# 3025. Maple Leaf requests that this existing portable licence be kept active.

As required find the following submissions;

- 1) Cover Letter, this is the cover letter.
- 2) Environmental Act Proposal Form; Attached
- 3) Reports/plants supporting the EAP; Copy of manufacture brochure & MHCA, Redi-Mix Concrete Facilities, Best Environmental and Safety Management Practice.
- 4) Application Fee

If further information is required please contact Derek Walker at 958-7425.

Thank You
