

Notice of Environment Act Proposal

Conservation and Water Stewardship has received a proposal pursuant to *The Environment Act* regarding the following operation and invites public participation in the review process:

TOWN OF PILOT MOUND WATER TREATMENT PLANT UPGRADE – FILE: 5687.00

The Manitoba Water Services Board has filed an Environment Act Proposal on behalf of the Town of Pilot Mound for the construction and operation of an upgraded water supply system for Pilot Mound. The project involves the construction of two wells in the Glenora Aquifer in NW 20-3-12W (one production well and one future standby well), a new raw water pipeline from the wells to Pilot Mound following road allowances, and an upgraded water treatment plant using reverse osmosis, with a 10% bypass through a sand filter. Reject water from the reverse osmosis system would be discharged to existing holding ponds at the water treatment plant and then to the Goudney Reservoir through the existing pipeline between the reservoir and the water treatment plant. The new plant would have a raw water capacity of 6.9 litres per second, and a treated water capacity of 5.5 litres per second. Construction of the upgrades would take place in 2014-2015 subject to the availability of funding.

Anyone likely to be affected by the above operation and who wishes to make a representation either for or against the proposal should contact the Department, in writing or by E-mail (bruce.webb@gov.mb.ca), not later than January 10, 2014. Further information is available from the Public Registries located at: Legislative Library, 200 Vaughan St., Winnipeg; Millennium Public Library, 4th Floor, 251 Donald St., Winnipeg; Online Registry: <http://www.gov.mb.ca/conservation/eal/registries/index.html> or by contacting Bruce Webb, Environmental Engineer at 204-945-7021.

Information submitted in response to this proposal is considered public information and will be made available to the proponent and placed on the public registry established in accordance with Section 17 of *The Environment Act*.
