Dear Mr Lodder:

Re: Walinga Inc. – Notice of Alteration Licence 3197

Thank you for the Notice of Alteration submitted March 12, 2018 in which you requested an approval to replace the existing paint booth with a state of the art new paint booth. It is understood that the old paint booth will be decommissioned and removed from the facility.

Upon review of the proposed alteration I have concluded that the environmental effects from the alteration are insignificant, and, therefore, in accordance with Section 14(2) of The Environment Act you are hereby authorized to carry out the alteration as described in the March 12, 2018 Notice of Alteration.

If you have any questions regarding this matter, please contact Mr. Tyler Kneeshaw, Regional Supervisor, at (204) 239-3608.

Yours sincerely,

 Tracey Braun, M.Sc.
Director
